## ADAM WINGFIELD

FOUNDER AND MANAGING DIRECTOR OF INNOVATIVE LOGISTICS GROUP

Based in Charlotte, NC, guides small carriers with resources and success strategies.

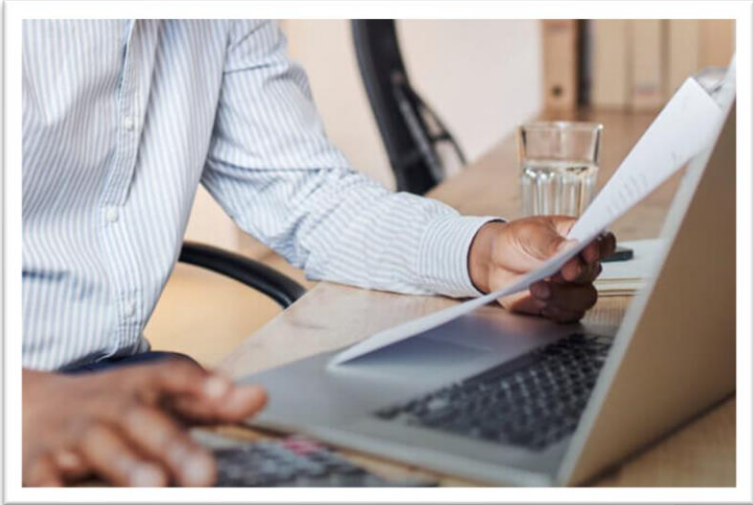

With 22 years of industry experience, starting as an OTR driver and progressing to fleet ownership, he obtained his degree in Business Management/Supply Chain. Under his leadership, Innovative Logistics evolved into a multi-million dollar consulting firm, aiding thousands of carriers and employing over 100 individuals.

Additionally, he co-founded iDispatchHub, a leading trucking dispatch TMS system, recognized as a transformative industry force and honored with multiple awards for his outstanding achievements.
